OF THE FIRST PART

- and -

**Labourers’ International Union of North America and the  
Labourers’ International Union of North America,  
Ontario Provincial District Council,  
on behalf of its affiliated  
Local Unions 183, 493, 506, 527, 607, 625, 837, 1036, 1059 and 1089**

(hereinafter called the “Union”)

OF THE SECOND PART

**WHEREAS** the Union, acting on behalf of the Local Unions whose names and numbers appear on the attached Schedule ‘A’, and the E.B.A. wish to make a common Collective Agreement with respect to certain employees of the Employers engaged in construction as defined in Article 1 of this Collective Agreement and to provide for and ensure uniform interpretation and application in the administration of the Collective Agreement;

**AND WHEREAS** the E.B.A. recognizes the Union as the Collective Bargaining Agency on behalf of the Local Unions specified in the attached Schedule ‘A’ with respect to the employees of Employers covered in this Agreement;

***IT IS EXPRESSLY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:***

### **ARTICLE 1 - RECOGNITION**

- 1.01 The E.B.A. recognizes the Union as the sole and exclusive bargaining agent for all construction labourers, including masons’ or bricklayers’ tenders, plasterers and plasterers’ apprentices and all employees engaged in cement finishing, waterproofing or restoration work and all other construction employees engaged in the industrial, commercial and institutional sector of the construction industry in the Province of Ontario, for whom the Union has bargaining rights.
- 1.02 The Union recognizes the E.B.A. (the several parties are listed on Schedule ‘C’) as the sole and exclusive bargaining agent for all Employers whose employees are represented by the Union and for whom the Union has bargaining rights who are engaged in the industrial, commercial and institutional sector of the construction industry in the Province of Ontario.
- 1.03 The Employer recognizes each Local Union as specified in the attached Schedule ‘A’ to be the administrative party of this Collective Agreement for work performed within the geographical area and/or jurisdiction of the Local Unions as defined in Schedule ‘B’ attached hereto.
- 1.04 This Agreement shall also apply to an Employer in all other sectors where the Union or any of its affiliated bargaining agents have bargaining rights in such other sectors for the employees of such

Employer, provided that such Employer may become signatory to the various Collective Agreements applicable in such other sectors.

**ARTICLE 2 - UNION SECURITY, WORK  
JURISDICTION, ASSIGNMENT OF WORK, SUB-CONTRACTING**

- 2.01 The Employer agrees to employ only members in good standing of the Local Union specified in Article 1.03 for work covered by this Agreement.
- 2.02 As a condition of continuing employment, all employees shall maintain in good standing their membership in the Local Union.
- 2.03 The Employer acknowledges and agrees that the work covered by this Agreement is within the exclusive jurisdiction of the Union and its affiliated bargaining agents, notwithstanding the claims of any other Trade Union.
- 2.04 The Employer agrees that notwithstanding the claims of any other Trade Union, it shall assign exclusively to members of the Union and its affiliated bargaining agents, all of the work covered by this Agreement.
- 2.05 (a) For all work in the industrial, commercial and institutional sector, which is covered by this Agreement, the Employer agrees to engage only contractors and/or subcontractors bound to this Agreement.
- (b) For work forming part of an ICI general contract, but not covered by 2.05 (a), the Employer agrees to engage contractors and/or subcontractors that are bound to an applicable agreement with the OPDC or bound to an applicable agreement with the Local Union in whose geographic jurisdiction the work is being performed.
- (c) For work forming part of an ICI general contract, but not covered by 2.05 (a), the Employer may also engage contractors and/or subcontractors that have an applicable agreement with an affiliate or the OPDC other than the Local Union having jurisdiction over the work provided that such contractors/subcontractors maintain a ratio of 50% Local Union members and 50% members from other areas with the latter not to exceed a maximum of five. The first

hire shall be a key person; the second hire will come from Local Union; the third shall be a key person and so on. This ratio shall be maintained on lay-off.

Any members transferred from another area under this provision shall receive the wage package in the applicable local agreement or the package in their Employer's agreement whichever is superior, all other terms and conditions of their Employer's agreement shall apply;

Any Local Union members hired by a contractor, that is not bound to the Local Union in whose geographic jurisdiction the work is being performed, shall be employed in accordance with all of the terms and conditions of the applicable agreement in the area where the work is being performed.

- (d) Where an Employer awards work to a subcontractor/contractor according to the provisions of 2.05 (c) and the subcontractor/contractor has violated the mobility provisions of 2.05 (c) then such violation shall constitute a violation of the mobility provisions of 2.05 (c) by the Employer. Where a subcontractor/contractor violates any other terms or conditions of the applicable collective agreement then the Employer shall be liable for such other violation to the extent of the violation.
  - (e) For all work performed under this article, working dues for all employees will be remitted to the Local Union in whose jurisdiction the project is located; OPDC dues will be remitted as directed by the OPDC and Canadian Tri-Fund contributions will be remitted as directed by the OPDC.
- 2.06 (a) Schedule 'E' to this Collective Agreement constitutes a list of work that is claimed by the Union.
- (b) Where work within Schedule 'E' is claimed by the Union and is within the I.C.I. sector and there is no work claim dispute within the meaning of Article 8.01, the work will be assigned to employees represented by the Union.
- 2.07 Without restricting in any way the application of the sub-contracting provision contained in Article 2.05 of this Agreement, an Employer who undertakes a contract with an owner to provide construction

management services shall be subject to said Article 2.05 unless:

- (i) The owner selects a contractor(s) not bound to this Agreement to bid on work covered by this Agreement and solely and directly solicits or obtains a bid(s) for such work from such a contractor(s) without any involvement or participation by the Employer in the selection of such a contractor(s) (except as to the validity of the bids) or the solicitation or obtaining of any bid(s) from any contractor(s) regardless of whether it (they) is (are) bound or otherwise to this Agreement;
  - (ii) The owner accepts a bid(s) from a contractor(s) not bound to this Agreement; and
  - (iii) The owner contracts or sub-contracts directly with a contractor(s) not bound to this Agreement without contractual obligation of the Employer for the work of such a contractor(s), other than for the negligent acts or omissions of the Employer.
- 2.08 Any failure to comply with Article 2.07 of this Agreement shall render the Employer liable for damages equivalent to those for the breach of the sub-contracting provision set forth in Article 2.05 above.
- 2.09 The Employer shall advise the owner of the provisions of Article 2.08 when undertaking the construction management services contract.

### **ARTICLE 3 - HIRING OF EMPLOYEES**

- 3.01 The following provisions will apply to the hiring of all employees, except as specifically provided for elsewhere in the Master Portion, Trade Appendices and Local Schedules:
- (a) The Employer agrees to call the Local Union by 1:00 p.m. for its needed supply of persons for the following day. All employees hired through the Union shall present to the Employer a referral slip from the Union prior to commencing employment, unless such referral has been transmitted electronically by the Union to the Employer. It is understood that if the Local Union having jurisdiction over the work is unable to provide the required persons within twenty-four (24) hours, the Employer is free to hire such labour as is available, but such labour shall acquire a referral slip

prior to commencing work on the second day after hiring and as a condition of employment, either be in good standing or apply for membership in the Union within seven (7) days. In addition to the worker's name and phone number, the referral slip will list and confirm that the referred employee holds all safety and trade training certificates required by the Employer, subject to the Local Union's ability to provide such information.

The Local Union shall be allowed forty-eight (48) hours to provide a supply of labour to jobs beyond fifty (50) kilometres from the point of origin as defined in Schedule 'B' hereto.

- (b) The Employer shall have the right to name hire one (1) foreperson per project, providing such foreperson is a member in good standing of the Local Union having jurisdiction over the area and the employee is registered on the Local Union unemployment list.
- 3.02 (a) Except as set out in the Appendices, an Employer may transfer up to two (2) current regular employees represented by a Local Union(s), to the jurisdiction of another Local Union. The parties agree that Article 3.02(a) is an agreement under Section 163.5(7) to lower the percentages of Articles 1 and 2 of Section 163.5(1) to the percentages provided by Article 3.02(a).

An Employer specializing in concrete cutting, coring and drilling will have full mobility. Any Employer performing concrete cutting, coring and drilling other than an Employer specializing in such work will have mobility of one (1) key person per job who will be employed in the operation of equipment and/or machinery for that job.

- (b) When transferring employees across Local Union jurisdictions or within a Local Union jurisdiction with more than one Wage Schedule the total wage package payable shall be the higher of the employees' home Local Schedule or the Local Schedule where the work is being performed. In no case shall the total wage and benefit package payable be less than the Local Schedule. Such transfer is without the requirement to transfer Local Unions, however the Employer shall remit all Local Working Dues and Local Training Fund remittances as per the Local Union Wage Schedule to the Local Union in which the work is being performed.

## **ARTICLE 4 - UNION DUES AND CHECK-OFF**

- 4.01 The Employer agrees to continue in effect, regular monthly Local Union dues deductions where applicable, in accordance with the Local Union Schedule provided herein. The amount of such deductions may be varied on forty-five (45) days' notice, in writing, from the Secretary-Treasurer of the Local Union. Such deductions shall be made from the first pay due the employee in each calendar month and remitted directly to the Secretary-Treasurer of the applicable Local Union by the fifteenth (15th) day of the month following the month in which such deductions were made.
- 4.02 (a) The Employer agrees to deduct from each employee covered by the terms of this Agreement, working dues at the rate provided for in the applicable Local Union Schedule which shall be remitted to the Secretary-Treasurer of the applicable Local Union by the fifteenth (15th) day of the month following the month in which such deductions were made.
- (b) Ontario Provincial District Council working dues consisting of forty cents (\$0.40) per hour (which includes the Ontario Construction Secretariat Fund) shall be deducted and remitted by the Employer directly to the LiUNA Pension Fund of Central and Eastern Canada, along with the pension contributions.
- (c) The amounts of Ontario Provincial District Council working dues deductions, as well as the recipient of said deductions, may only be altered by the Secretary-Treasurer of the Ontario Provincial District Council on forty-five (45) days' notice, in writing, to the Employer Bargaining Agency. In the event of conflict between this provision and any other article or section of this Agreement, including the appendices and Local Union schedules, this provision shall prevail.
- (d) The Employer shall, when remitting such dues, submit a list of names and social insurance numbers for and on whose behalf such deductions were made, on one (1) Standard Benefits Reporting Form showing all applicable deductions and/or contributions.
- (e) The aforesaid remittances shall be made directly by the Employer as aforesaid notwithstanding anything contained in any other Article, Appendix or Schedule to this Agreement.

- 4.03 The Local Unions, the Union and the Trustees agree to hold harmless and indemnify the Employers and the E.B.A. against any liability incurred as a result of deductions made under Article 4.01 and Article 4.02 above.
- 4.04 Each Employer bound by the terms of this Agreement shall contribute an amount per hour, which includes the Ontario Construction Secretariat Fund, for each hour worked by each employee as specified in the applicable Trade Appendix or Local Union Schedule. Unless otherwise directed, such contributions shall be remitted directly to the Local Construction Association by the fifteenth (15th) day of the month following the month in which such contributions were made, together with a supporting statement on the Standard Benefits Reporting Form showing all applicable deductions and/or contributions.
- 4.05 The E.B.A. agrees to hold harmless and indemnify the Local Union and the “Council” against any liability incurred under Article 4.04 above.
- 4.06 Notwithstanding any other provision of this Agreement, Appendix or Local Union Schedule, the Employer shall pay the sum of five cents (\$0.05) for each hour worked to the Labourers’ International Union of North America, Canadian Tri-Fund and remit same to the LiUNA Pension Fund of Central and Eastern Canada, or as directed by the Local Union in whose jurisdiction the work is being performed, on the fifteenth (15th) day of the calendar month following the month in which these hours were worked.
- 4.07 The Employer will cooperate with the Local Union, in the event that a Local Union establishes an electronic filing system; however, the Employer reserves the right to maintain the existing system if implementing the electronic system imposes a hardship.
- 4.08 Members of the Industrial Contractors Association of Canada will contribute an additional one cent (\$0.01) per hour earned by each employee covered by this Agreement. Members will include any required supporting information. Such contribution will be remitted directly to the Industrial Contractors Association of Canada.

## **ARTICLE 5 - MANAGEMENT RIGHTS**

5.01 The Union agrees and acknowledges that the Employer has the exclusive right to manage the business and to exercise such right without restriction, save and except such prerogatives of management as may be modified by the terms and conditions of this Agreement. Without restricting the generality of the foregoing paragraph, it is the exclusive function of the Employer:

- (a) To determine qualifications, classify, transfer, hire, direct, promote, demote, layoff, discipline, and discharge for just cause, employees and to increase or decrease or transfer working forces in accordance with the terms of this Agreement. - (b) For the purposes of greater clarity, it shall be a violation of the provisions of Article 1.04 if an employer subcontracts work to an individual union member, purporting to perform services as an Independent Operator or Contractor, performing work of a mason tender as defined in the provision of Article 2 – Work Jurisdiction. Any such violation shall be subject to damages in the amount of each person-hour of work performed at the full wage package under the Collective Agreement. The Employer Association and/or the Union will have the ability to require an individual Employer to produce pay stubs, any T5018 issued to them, and their most recent T4 ("Pay Records") of named employees for a period of up to six (6) months. Such Pay Records must be produced within

fifteen (15) days of such request in writing. It is further agreed that the auditing provisions of Article 13.07 may be relied upon for a violation of this nature. The Employer Association agrees that it will not act to represent or defend such violations by an individual employer.

- (c) For the purposes of clarity, no member of the Union shall perform any work in the ICI Sector except in accordance with all the terms and conditions of this Collective Agreement.

1.05 Employers shall report, in writing, all new projects of 5 days or greater duration prior to commencement to the Local Union and OMCA.

1.06 Employers engaged in masonry construction, including refractory and acid-resistant work, agree that they will not submit proposals for such work without including the use of Mason Tenders as defined in the Trade Appendix for Masonry Tenders.

In the event that such proposals are questioned or not accepted, the Employer shall notify the Union forthwith and assist the Union to meet with all interested parties to secure the Mason Tenders' work for the members of the Union before the job commences.

The Ontario Masonry Contractors' Association agrees that it will advise all refractory contractors of the notice requirements specified in Article 1.05 of the Agreement. In the event an Employer is clearly in violation of the notice requirements in Article 1.05, The Ontario Masonry Contractors' Association will not intervene nor provide financial assistance should the Union take legal action against such Employer.

All Employers acknowledge and agree that refractory and acid-resistant work will be performed in accordance with the refractory provisions of the Trade Appendix for Masonry Tenders and without limiting the generality of the foregoing, Articles 3.05, 3.06, 3.07, 3.08, Article 4 and Article 5.

1.07 Employees covered by this Trade Appendix shall only provide service on an hourly rated basis as defined in Schedule B. For the purposes of greater clarity, any member of the Union found to be carrying on or performing mason tender work as defined in Article 2 – Work Jurisdiction, as an independent Contractor or Operator, shall constitute a violation of this Article 1.07.

- 1.08 All grievances filed by the Union impacting a Masonry contractor and/or citing a violation of this Appendix shall be copied to the OMCA and any referral to arbitration shall be provided to the OMCA at the time of referral, naming the OMCA as an interested party.

## **ARTICLE 2 - WORK JURISDICTION**

- 2.01 The Employer recognizes the Union work jurisdiction shall include that work which has been historically or traditionally or contractually assigned to members of the Labourers' International Union of North America in the tending of Masons including, but not limited to, unloading, mixing, handling and conveying of all materials used by Masons, including refractory by any mode or method; all work involved in the tear out of refractory materials up to the point of any required tooting; including the use of skid steer loaders and remote controlled Brokk type equipment; the unloading, erecting, dismantling, moving and adjustment of all types of scaffolding; all work in connection with the fabrication and installation of weather protection including final fastening; and the construction and dismantling of grout and castable formwork; the starting, stopping, fueling, oiling, cleaning, operating and maintenance of all mixers, compressors, mortar pumps, concrete and grout pumps, fork lifts, person and/or material lifts including, but not limited to scissor lifts, zoom boom, telescopic or otherwise, platforms, tuggers and other devices under the direction of the Employer or their representative and application of waterproofing.

3.04 **Inclement Weather Make-up Time**

By mutual consent of the Local Union and the affected Employer, should inclement weather cause employees on a project to lose eight and one-half (8 1/2) hours or more during a Monday to Friday regular work week, then Saturday may be worked as make-up time, at straight time rates. Employees working on Saturday shall not work in excess of the regular work week hours on a Monday to Saturday basis. 13.01 Where indicated in Schedule 'B' under "Employer Provincial", each Employer employing a mason tender shall contribute fifty-five cents (\$0.55) per hour, for each hour worked by each mason tender to the "Employer Fund". Such contribution shall be directed to the Ontario Masonry Contractors' Association ("OMCA") or to such administrator as shall be directed by the Association by the fifteenth (15th) day of the month following the month in which such contributions were made, together with a supporting statement on one standard benefits reporting form showing all applicable deductions and/or contributions. In addition, any Local Employer Industry contribution shall be collected directly by the Ontario Masonry Contractors' Association.

13.02 Where there is a legally established Local Masonry Contractors Association ("LMCA"), the Board of Directors of such LMCA may request that OMCA collect an amount as Local Industry Funds to be set out in Article 13 of this Appendix and collected through the Electronics Remittance System. As a condition of such collection, the LMCA must provide to OMCA annual statements setting out their Local Industry Fund revenue and corresponding expenses. Such LMCA's shall have until August 1, of the year following ratification to provide the following:

- the documents establishing the LMCA;
- the current Officers and Directors of such LMCA (including signing officers); and
- bank account information for such LMCA.

OMCA shall provide a reconciliation by contractor of the hours worked under the Local Wage Schedule under which the LMCA receives the Local Industry Funds.

Contributions with respect to pension shall be made to LiUNA

- 13.03 All Employers are required to submit all Employer Industry Funds in accordance with Article 13 and Schedule 'B' by way of the electronic remittance system located on the Brick Employer Website at [www.brickemployer.com](http://www.brickemployer.com).

Any Employer who does not utilize the Electronic Remittance System shall be required to pay an administration fee to OMCA to compensate for the entry of such data by Canada Masonry Centre staff and the additional delinquency control measures necessary due to the delay in information being entered in the system. This administration fee is subject to change by the OMCA Steering Committee or the Executive Director if so designated but shall be initially at fifty dollars (\$50) plus thirty-five cents (\$0.35) per hour per month.

- 13.04 Nothing herein precludes the Employer Association from filing a grievance and proceeding pursuant to the *Lien Act* or Section 133 of the *Ontario Labour Relations Act* or utilizing any other section of the Act in addition to or in conjunction with the aforesaid. The remedies available to the Employer Association herein may also be sought through an Intervention in a Section 133 Application under the *Ontario Labour Relations Act* before the OLRB brought by the Union in claiming unpaid remittances or bargaining unit work performed by non-union members or a failure to utilize the Electronic Remittance System in accordance with Article 13.02.

In addition to other remedies available to the Employer Association in this Collective Agreement, should the Employer Association deem an Employer to be delinquent in forwarding or delivering contributions or deductions, the Employer Association, as the case

may be, may upon written notice, require the Employer to deliver contributions and/or deductions on a weekly basis, commencing with the week beginning the Monday after such notice is delivered by the Employer Association as the case may be. Contributions and/or deductions for each work week shall be remitted to the Employer Association at the same time as wages are due to employees pursuant to Article 10.01 of the Master Portion hereof.

In the event of a grievance alleging that an employer has failed to make the proper payments to the Employer Association as required by this Agreement, the parties agree that for the purposes of determining any issue, the following presumption shall apply:

A statement signed by a duly authorized agent of an Employer Association shall be *prima facie* evidence of a number of hours worked by members of the union, and of a failure to make the appropriate payments as required by this Agreement. The evidence shall establish only a rebuttable presumption and may be challenged by the Employer with proper documentary evidence.

1. It is understood and agreed by the Union, Local 527, and OMCA that it is the intent of the parties to take all necessary steps through job targeting to ensure the survival and orderly growth of the organized masonry construction industry, and specifically masonry restoration work and the role of Mason Tenders in the industry.

In recognition of this understanding, it is agreed that when there is a Masonry Restoration project in the ICI sector that is being tendered where there is a non-union contractor or contractor bound to a competing union with terms and conditions more favourable to that contractor securing the work, it is agreed that the Union, Local 527 and OMCA will execute a job target with respect to that project in order to assist employers bound to the Trade Appendix for Masonry Tenders (“Appendix”) to secure the project.
3. If the Union, Local 527, and OMCA cannot reach an agreement

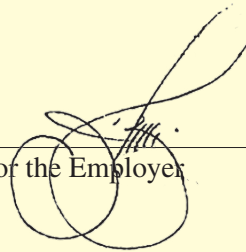

on terms and conditions for a job target with respect to a Masonry Restoration project, the parties agree that OMCA may refer the matter to final and binding determination by an Arbitrator chosen from a list to be agreed upon by the parties within 90 days of the ratification of the ICI Collective Agreement.

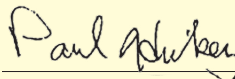

- (a.) OMCA may make a proposal for amendments to the Appendix which would apply to the targeted project.
  - (b.) The amendments proposed for a targeted project by OMCA may only concern the following matters:
    - i. Total wage package, including overtime and shift differentials (but not including the breakdown of the total wage package);
    - ii. Hours of work.
4. The person selected to arbitrate any matter pursuant to paragraph five (5) below shall, at the request of either party, mediate those matters, but in no case shall the time periods in paragraph five (5) be exceeded.
  5. OMCA shall submit its final position with regard to amendments to the Appendix to the Arbitrator with a copy to the Union and Local 527 and the Union and Local 527 shall likewise submit its final proposal for amendment (if any) to the Appendix to the Arbitrator.
  6. It is agreed that in making their proposals neither party shall refer to the BACU/OPC ICI Collective Agreement.
  7. The Arbitrator shall, at their sole discretion, hold hearings or request further clarification from either party, and if satisfied that the terms of the Appendix place the Employer(s) at a competitive disadvantage, the Arbitrator shall choose the Proposal for Amendment to the Appendix which removes the competitive disadvantage. Such selection shall be made within fourteen (14) calendar days of the date of the referral by OMCA and shall amend the Appendix as proposed. The Arbitrator shall provide reasons for their selection if requested by the parties.
  8. The Arbitrator shall select the final proposal which most achieves the objective of ensuring that the Employer is competitive with the least changes to the Appendix.
  9. No amendment(s) pursuant to this Letter of Understanding will have

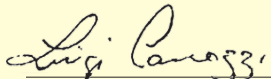

application following the completion of the targeted project.

10. Where OMCA has made a final proposal pursuant to this Letter of Understanding, and such proposal has been rejected by an Arbitrator, no proposal with regard to the same amendment(s) will be made within one (1) year of the rejection.
11. It is agreed that no current employee of an Employer shall be forced to work under any terms and conditions imposed by an Arbitrator under this clause. It is understood that this is not a guarantee of employment under existing terms on the targeted project. It is further understood that no employee will be terminated or otherwise discriminated against for refusing to work under terms and conditions imposed by an arbitrator on a targeted project as long as the Employer has work available elsewhere.
12. This letter of understanding shall expire effective April 30, 2016 with the expiry of the 2013 to 2016 ICI Collective Agreement and shall not renew unless mutually agreed to by the parties.

Signed at Toronto this 11th day of April 2013.

All human beings are born free and equal in rights and dignity. No person should be discriminated against because of their race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital or family status, or disability.

*We condemn racism.*

*We condemn discrimination against women.*

*We condemn discrimination based upon sexual orientation or gender identity.*

*We condemn islamophobia, anti-Semitism, and other forms of religious discrimination.*

*Racism, hate, intolerance, and bigotry have no place in our industry.*

*Black lives matter.*

*Indigenous lives matter.*

Racism and discrimination are real, and they exist throughout society. We will take steps to eradicate racism and discrimination from our industry. We will take steps to promote racial and gender diversity and inclusion in our industry. We will take steps to have workforces and leadership teams that are as wonderful and diverse as the communities in which we live. Working together we will build more truly inclusive workplaces.

It will take time and effort to implement these commitments. It will not be easy, but it must be done. We owe it to ourselves, and to each other, to do better.
